

ALL HAZARD ADVISORY COMMITTEE

15 DEC 2005

- Daryl Cook opening the meeting @ 0915
- Jim Cocke gave a short briefing on the Hospital Protection Plan. Another meeting addressing shortfalls is planned for January with an update to the AHAC in the February meeting
- Gary McCormick briefed the group on E-Team and the train-the-trainer program coming in mid-January. He also discussed the credential issue related to the EOC.
- Steve Norman provided updates and announcements on the following items:
 - o PIO meeting scheduled for Dec 16, 2005 at Emergency Management
 - o AHAC being officially chartered
 - o EM will have a meeting with the Pandemic Flu Partners Dec 21, 2005
 - o Annex K updates and changes which will affect future notification in the event of an actual Nuclear Response, if you would like to review the plan it can be accessed by visiting www.charmeckem.org , user name cemeo, password cemeo
 - o Catawba Nuclear exercise is scheduled for May 16, 2005 with the “off scenario” week planned for May 1-5, 2005
 - o EM plans to have a one-day seminar on the Nuclear Response Plan with local daycare centers and other private systems to ensure they are familiar with the plan
 - o Online Radiological Training is now available at www.charmeckem.org then click radiological training, user name: emuser, password: training
- Jim Cocke asks the committee if other agencies had received a copy of the After Action Report from Summer Breeze. Jim made a motion to ensure all agencies receive a copy of the report so appropriate action be taken by respective agencies. Motion Passed.
- Next meeting scheduled Jan 19, 2006
- Jill Quick from American Red Cross announced online training being offered in the future by their agency. More information will be provided in the coming months.
- Meeting was adjourned by Daryl Cook @ 1035.
